About GULFTECH

Gulftech Projects is a MEP/EPC contractor delivering end-to-end electrical, mechanical, and plumbing solutions – LV/HV up to 11KV – across commercial, industrial, and institutional sectors in Oman since 2006.

Our team comprises highly qualified managers, specialized engineers, supervisors, skilled technicians, and administrative staff, all committed to delivering projects with precision, quality, and professionalism.

Our Vision

To pioneer and integrate the most advanced modern technologies with environmentally sustainable practices into all of our MEP contracting services, driving a cleaner, more efficient, and sustainable future for our clients in Oman and the global market

Our Core Values

01 Excellence

Delivering the highest standards of quality in every project we execute.

02 Integrity

Building trust through honesty, transparency, and ethical conduct.

03 Safety

Prioritizing the well-being of people, clients, and environment.

04 Innovation

Using modern technology and smart engineering solutions.

05 Client Focus

Understanding and exceeding client expectations

Our Services

Complete MEP Solutions for Buildings — From Tendering to Handover

M — Mechanical Services

- 01 HVAC Systems
- 02 Ducting & Installation
- 03 Equipment Installation
- 04 Ventilation Systems

E — Electrical Services

- 01 Power Distribution Systems
- 02 Substation & Switchgear
- 03 Earthing & Bonding Systems
- 04 Lighting Systems
- 05 Lightning Protection Systems

P — Plumbing Services

- 01 Water Supply Systems
- 02 Drainage & Sewage Systems
- 03 Firefighting & Suppression Systems

ELV — Extra Low Voltage / Safety Systems

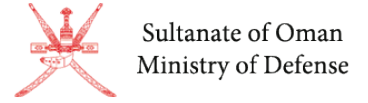

- 01 Fire Alarm & Emergency Systems
- 02 Security & Access Control Systems
- 03 Safety Systems (PA, BMS, CCTV)

Landmark Projects

- 01 Alpha Fishco Factory Duqm-MEP solutions
- 02 Sanvira Calcined coke Plant, Sohar free zone - MEP solutions
- 03 Mc Donalds Al Wadi Salalah-Electromechanical solutions
- 04 Nizwa College of technology-Electrical, plumbing & ELV solutions
- 05 Salalah floor mills-Substation works
- 06 Sahwa Tower Salalah- MEP solutions
- 07 Octal petrochemicals,Raysut-Electrical solutions
- 08 MODES Aydam -substation works
- 09 Below 2 building, Saadah- Electrical solutions
- 10 Royal Court Affairs-transport complex Salalah -MEP solutions
- 11 Royal Airforce Oman,thumrait-electrical solution
- 12 Carrefour,Salalah-Electrical solutions
- 13 Al Saadah City Mall,Salalah- Electromechanical solutions
- 14 Independent Water pipeline project Salalah- electrical solutions
- 15 Ministry of Education School jalaan - MEP solutions
- 16 Civil Aviation Authority,Radar station- Lightning protection system solutions
- 17 Indian School Salalah-FF & FA Solutions
- 18 Royal Court Affairs-Qasr Al mamurah-Centralised water heater system solutions
- 19 W hotel Muscat - Electromechanical Solution
- 20 Royal Court Affairs-Baith Al Robot-Hvac solutions
- 21 Dhofar Cattle feed - Electrical solution
- 22 Arabian Sea Resort,Mirbat-Electromechanical solutions
- 23 Madayn Administrative building- Plumbing solutions
- 24 Royal Oman police laundry-Electrical & HVAC solutions
